

## ARRL Round Up RTTY Contest 2007

Thursday, 25 January 2007

Last Updated Wednesday, 14 February 2007

ARRL Round Up RTTY Contest was held on 6.-7.1.2007 as the first bigger RTTY contest in the new year 2007. My station conditions were limited only to higher bands above 3.5 MHz because of matching problems with my antenna. Working altogether 16 hours only some contacts were for me exciting - FR1HZ (Reunion Island on 14 MHz), CN8KD (Morocco on 7 & 21 MHz), N6AR (USA / Florida on 14 MHz).
